What are you supporting?

The Fall Diamond Co-Ed Softball Classic is a new softball tournament that will be hosted annually by Long Trail District of Green Mountain Council. Our program is a non-profit that is supported by donations made by Scouting families and the public.

We offer an exciting program for boys and girls from ages 5 to 18 through Cub Scouts, Boy Scouts, and Venturing. The volunteer leadership in these programs help the youth understand the Scout Oath and Law to help incorporate the morals of Scouting into their every day lives through community service, outdoor adventure, and responsibility.

We also offer a career readiness program called Exploring. Local businesses and organization can create Clubs, ages 10-14, and Posts, ages 14-20, that explore a career field. This program offers youth an exciting chance to get hands on experience, knowledge from professionals, and help build their resumes early in life.

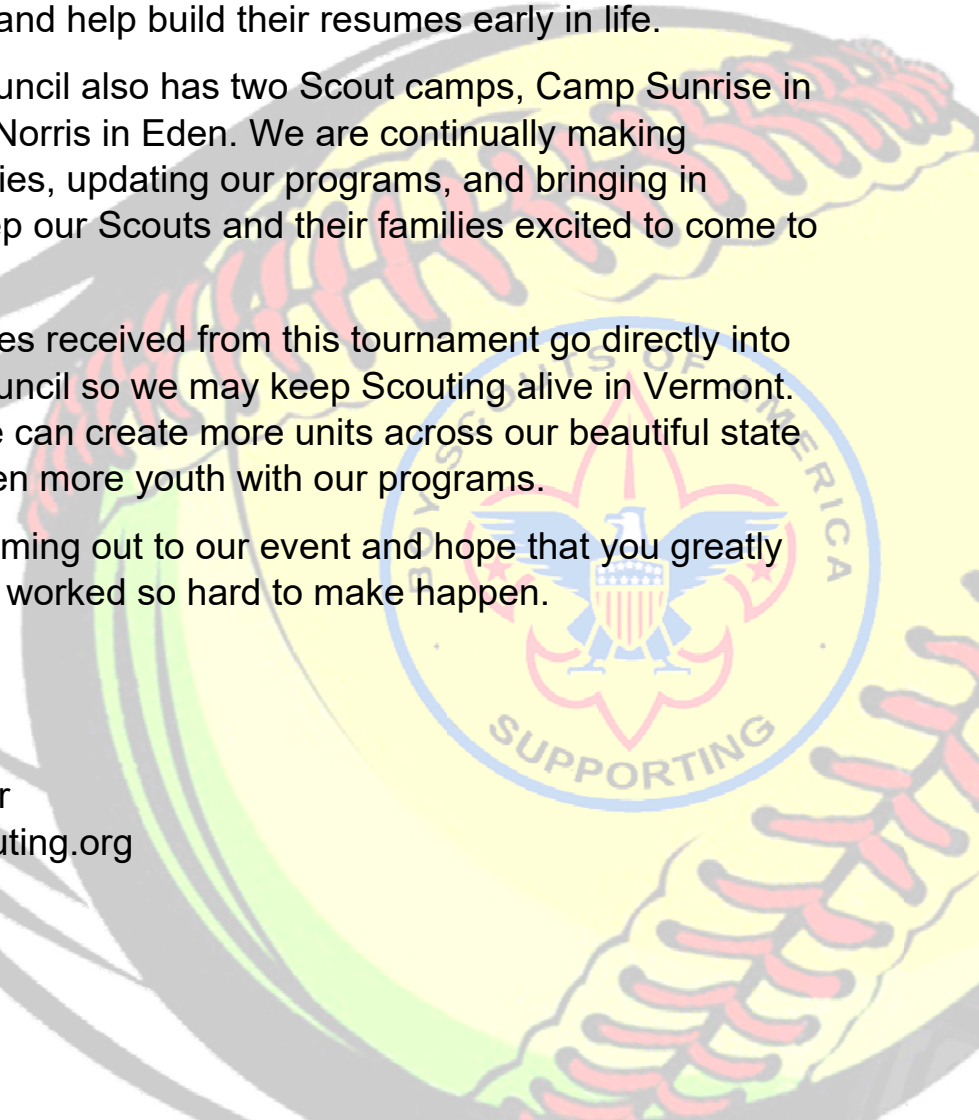

Green Mountain Council also has two Scout camps, Camp Sunrise in Benson and Mount Norris in Eden. We are continually making renovations to facilities, updating our programs, and bringing in amazing staff to keep our Scouts and their families excited to come to camp.

All donations and fees received from this tournament go directly into Green Mountain Council so we may keep Scouting alive in Vermont. With these funds we can create more units across our beautiful state and reach out to even more youth with our programs.

We thank you for coming out to our event and hope that you greatly enjoy what we have worked so hard to make happen.
