January 2026

Dear Unit Kernels,

I'm in the midst of my fly tying, owl spotting and other fun winter activities. Spring is right around the corner and that means it's time to get ready for the annual popcorn and nut sale. This is a great chance for your unit to raise the funds you need for a year of exciting Scouting adventures.

Here are some key things you need to know:

- The 2026 sale will include an assortment of popcorn and nut products. You can choose to sell popcorn, nuts or both.
- The "Show-N-Sell" of popular popcorn offerings will be during the month of April in addition to the traditional door to door sale which will run from March 21st through April 26th.
- Your unit sign-up to sell is due by March 6th.
- Popcorn and nut takeorder deliveries will be made to units on Friday May 8th
- Your unit sales commission is simple- the more you sell, the higher percentage you can earn.
- Your unit commission is flexible. You unit can choose to receive individual prizes for your scouts or earn a higher percentage of your sales.
- Participation in this annual sales opportunity is part of the criteria for earning the prestigious Quality Unit Award.

Making your sale a success begins with training. This year there is online training and a hybrid opportunity for new Kernels who may want a little more one-on-one orientation. For experienced Kernels, we hope that you will share things that you have used that helped with your sale. The trainings will be held as follows: Zoom training only March 12th and Hybrid in person and zoom training March 17th.

I've been involved in a few different roles with this sale for about 30 years. I need to retire this year for some health reasons. Nothing too serious but I'm just not able to commit the time and energy this effort deserves. My thanks go out to everyone who has supported this sale at the unit and district levels over the years. It goes without saying that the real brain of this operation is Laurie Sneed at the Council level. Collectively, you are a great team! All my best to each of you for a smooth and successful sale this Spring!

Sincerely,

Dan

GREEN MOUNTAIN COUNCIL SHOW N SELL AGREEMENT WITH PARTICIPATING UNITS

We are again working with the sales staff from CampMaster Popcorn to provide units the ability to have a Show and Sell as well as the traditional Take Order Sale. It is an exciting time for units and we think if done correctly, it will have a significant impact on increasing the sales for your unit.

For units that are participating, their leaders must agree to the following guidelines. This is because statistics have proven that if followed, the sale is most productive for the units, the local Council and the Campmaster Company, and therefore is a win-win for everyone.

1. Agree to participate in the take order sale as well. Show N Sell is just to supplement your take-order sale and help to increase your total sale over last year.
2. Show N Sell order form is due by noon March 17th - we will not be able to provide product if order is not received by this date. (Order form will be emailed to you when we receive your signed Show N Sell Agreement.) Show N Sell pick up is March 27th at Jet Service Envelope.
3. No returns of any unsold product from the Show N Sell. Any leftover product from the SNS will simply be used to fill your take order needs. Then just order any additional product you need when take order orders are due. Not all products are available for the SNS
4. SNS popcorn order recommendation is to up to 50% of what your unit did for sales of the SNS/TO products in 2025. This information will be provided to units that sign up for Show N Sell. If you are looking to grow your Show & Sell beyond this recommendation the unit will need to pay for additional product at delivery.
5. Send list of Locations and Dates of Unit Show N Sell with your SNS Order.
6. Unit pays for the Show N Sell product along with the Take Order amount at the take order pickup on May 8th.
7. No exchanges between Units of Show N Sell products. Units are billed on what they ordered and picked up.
8. Utilize the Camp Master app to help manage unit sale.
9. Participate in the Take order Training. More information to follow.

Fill out and email to laurie.sneed@scouting.org no later than March 12th.

Yes we are participating the Show and Sell/Show and Deliver Sale! We agree to the terms.
